

My cats have left such an impression on my heart and home that I wanted to help other companion animals for future generations. Now my planned gift in honor of Pumkin, Finnegan and Lil Grey can save even more lives at HSNCF.

### OUR MISSION:

To eliminate the needless euthanasia of healthy and treatable pets in North Central Florida.

Our services and programs impact pets and people in Alachua County and our surrounding counties in a variety of different ways. From animal adoptions and volunteer opportunities to low-cost veterinary services, a free pet food bank and temporary pet boarding for people in social service shelters, your legacy contribution can continue our compassionate mission for decades to come.
